## EXECUTIVE SUMMARY

---

PT. Eltech Askara Indonesia is a System Integrator company established in 2018, focusing on the procurement of both software and hardware solutions. More than just a provider, we position ourselves as a strategic partner that ensures every solution effectively resolves our customers' challenges.

With a strong commitment to quality service, we accompany our clients from consultation to implementation, and continue to provide reliable support throughout the license and maintenance period. We are dedicated to being at the forefront of delivering seamless, professional, and dependable IT solutions for our business partners.

# CORE VALUES **Eltech** ASKARA INDONESIA

## ELTECH

### ● **Excellence**

We strive for the highest standards in every solution we deliver, ensuring quality and reliability.

## ELTECH

### ● **Loyalty**

We build long-term partnerships by prioritizing trust, commitment, and consistency with our clients.

## ELTECH

### ● **Teamwork**

We believe collaboration both internally and with our customers is key to achieving impactful solutions.

## ELTECH

### ● **Efficiency**

We deliver optimized solutions that save time, cost, and resources for our clients.

## ELTECH

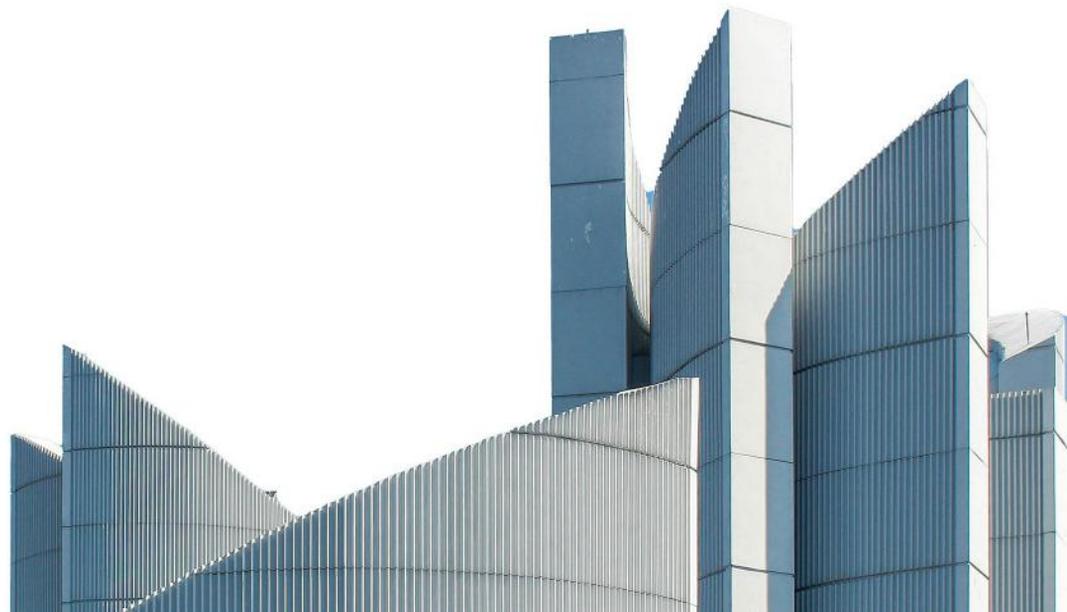

### ● **Customer-Centric**

Our customers' success is our priority; we listen, understand, and provide tailored solutions that solve real problems.

## ELTECH

### ● **Honesty**

We uphold transparency, integrity, and accountability in all our business practices.

PT. Eltech Askara Indonesia was established in 2018 as a System Integrator company specializing in software and hardware procurement. Guided by the motto Infinity Solutions, we believe that every technological challenge can be resolved through the right, sustainable, and value-driven solution.

More than just a provider, we position ourselves as a strategic partner that ensures every solution effectively addresses our clients' challenges. For us, success is not only defined by implementation but also by the continuous support we provide throughout the license and maintenance period. This commitment sets us apart, as we prioritize comfort, reliability, and long-term success for our customers.

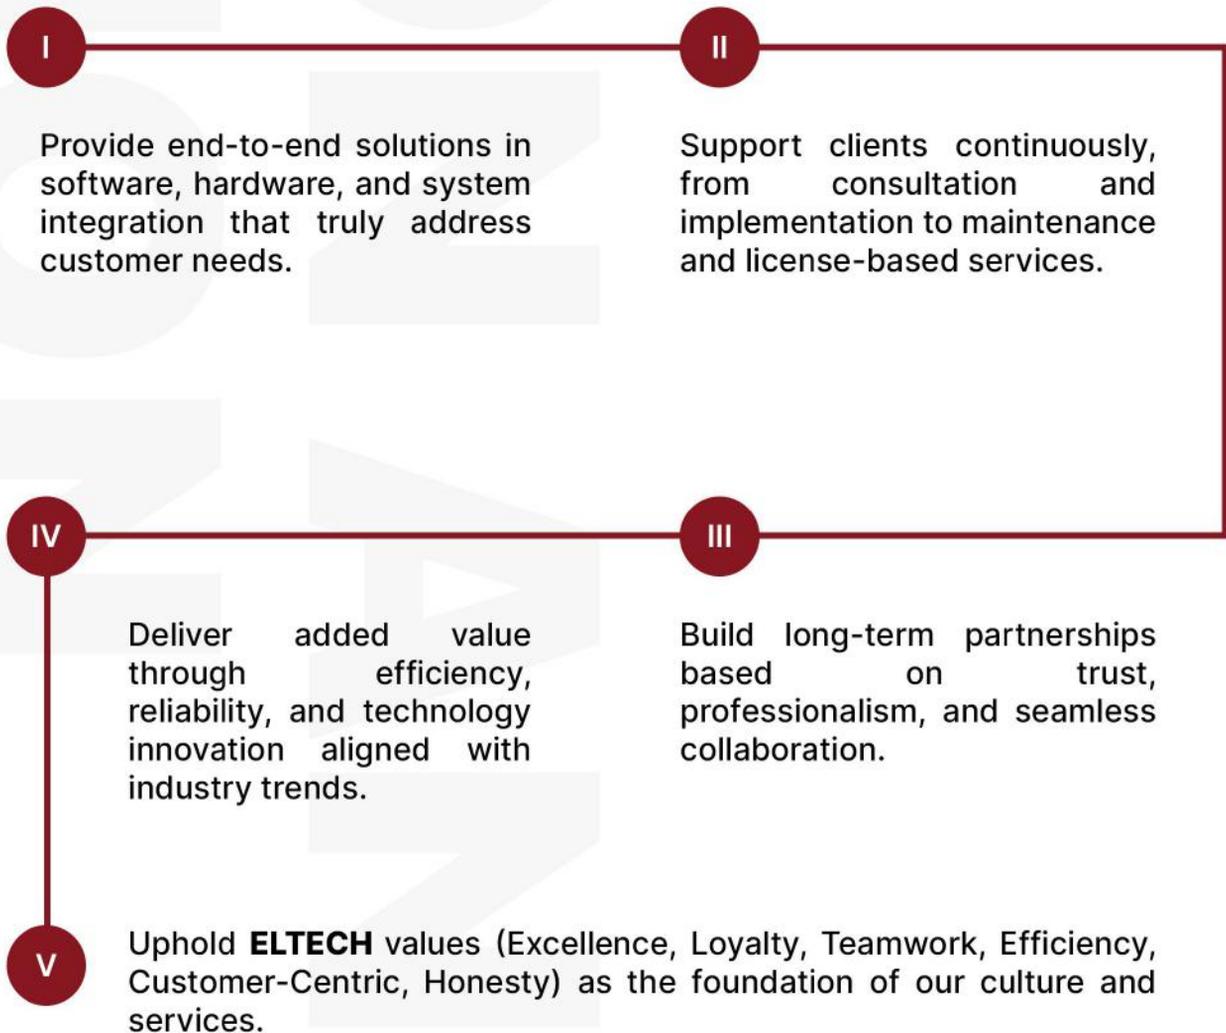

Over the years, PT. Eltech Askara Indonesia has earned the trust of clients across diverse industries. We uphold our core values ELTECH (Excellence, Loyalty, Teamwork, Efficiency, Customer-Centric, Honesty) as the foundation of our corporate culture. With these values, we are committed to being at the forefront of delivering innovative, trusted, and impactful IT solutions that drive business growth in the digital era.

# VISION

To be a trusted and leading partner in delivering innovative, efficient, and impactful IT solutions that drive business growth in the digital era.

# MISSIONS

# SOLUTIONS

## Software Solutions
